This 2021 Nissan Navara Tekna boasts exceptionally low mileage for its age, having covered just 38821 miles. This impressive 4x4 pickup truck is equipped with a powerful 2.3 litre dCi diesel engine and a smooth automatic transmission, making it a capable and comfortable choice. The Tekna trim level ensures a host of desirable features, including striking LED headlights with black bezel inlay, a 360 degree around view monitor for effortless parking, and Nissan Intelligent Key for convenient keyless entry. Inside, you'll appreciate the dual zone automatic climate control for personalised comfort and Bluetooth audio streaming for seamless connectivity.

The Nissan Navara Tekna is designed to impress, offering a remarkable towing weight of 3500 kg and a substantial payload capacity of 1115 kg, highlighting its superior ability to handle demanding tasks compared to similar vehicles. Its Euro 6 compliant engine also contributes to an impressive fuel economy of 38 miles per gallon, demonstrating its efficiency. This robust and well equipped Navara is ready for any adventure or work requirement.
