Grey Cloth Upholstery interior, This 2015 Volkswagen Transporter presents a compelling proposition with its remarkably low mileage of just 84,000 miles for its age. As a 2.0 TDI T28 Trendline L1 H1 4dr model, this van is equipped with a robust 2.0 litre diesel engine, offering a reliable and efficient driving experience. The T28 Trendline trim level ensures a well appointed interior and practical features designed for everyday use.

The Volkswagen Transporter is renowned for its versatility and durability, and this particular example is no exception. Its well maintained condition and modest mileage suggest it has been cared for, indicating a potentially longer service life compared to others on the market. This vehicle offers a solid foundation for both business and personal needs, combining Volkswagen's trusted engineering with the practicality that has made the Transporter a popular choice.
