Ebony Leather Interior interior, This 2020 Toyota Hilux Invincible Pickup Double Cab is a testament to its robust build and readiness for any task. Powered by a capable 2.4 litre D-4D diesel engine and featuring a dependable four wheel drive system, this Euro 6 compliant vehicle is built to perform. Its Invincible trim level signifies a high specification, offering a generous towing weight of 3500 kg, making it ideal for demanding work or leisure pursuits.

The Hilux Invincible is equipped with a suite of intelligent features designed to enhance your driving experience. These include a rear view camera with parking assistance and front and rear parking sensors, making manoeuvring easier. Intelligent Adaptive Cruise Control helps maintain a set speed and distance from the vehicle ahead, while auto headlights and the smart entry and smart start system add convenience. Furthermore, its low CO2 emissions highlight its efficiency compared to other vehicles in its class.
