This 2022 Ford Ranger Wildtrak Double Cab is a superb example of a capable and well equipped pickup. Powered by a 2.0L EcoBlue diesel engine producing 213PS, this Euro 6 compliant Ranger offers robust performance. Its Four Wheel Drive system and 10 speed automatic transmission ensure excellent traction and smooth gear changes, making it ideal for a variety of tasks. With a substantial towing weight of 3500 kg, this Wildtrak derivative is ready for demanding jobs.

The Wildtrak trim level signifies a high specification, offering a blend of ruggedness and refinement. This Ranger is designed to excel, providing a superior driving experience compared to other vehicles in its class. Its advanced features and powerful engine combine to deliver a vehicle that is both practical for work and comfortable for everyday use.
