Ebony Cloth Interior interior, This 2021 Peugeot Expert is a Professional trim panel van that offers a practical solution for business needs. It is powered by a 2.0 litre diesel engine and meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. This vehicle has covered 39,000 miles, which is a very low mileage for its age, suggesting it has been used sparingly. As a medium wheelbase model, it provides a balanced size for various commercial tasks while maintaining the reliability expected from the Peugeot brand.

The Professional trim level includes several features designed to improve daily operation and driver comfort. The cabin is equipped with a 7 inch capacitive colour touchscreen that supports Android Auto, Apple CarPlay, and Bluetooth connectivity, allowing for seamless integration with mobile devices. Manoeuvring is made easier with rear parking sensors, while the Visibility Pack includes automatic headlights to assist in changing light conditions. The inclusion of air conditioning helps maintain a comfortable environment, and the van boasts a substantial payload capacity of 1458 kg, making it a capable choice for transporting heavy loads efficiently.
